DEDICATED TO THE MORTON ARBORETUM

The Prairie Light Review recognizes the valuable contribution that the Morton Arboretum makes to the people of DuPage County. For many of us the Arboretum is a sanctuary to escape to. It is also a place for discovery and wonder. Current plans call for a tollway to run through the southeast corner of the Arboretum. This tollway will damage and even destroy a portion of its beauty. The staff of the Prairie Light Review hopes you will join us in supporting the Arboretum's search for alternate routes for the tollway.
